

WHAT TEACHERS SHOULD KNOW ABOUT SQUID GAME

Have you heard your students talk about this series?

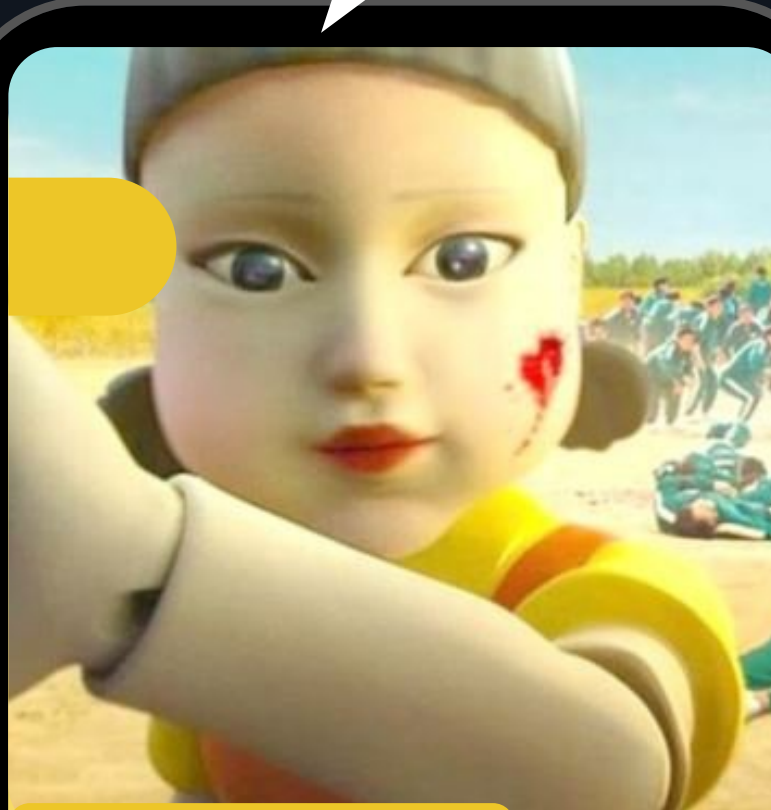

KNOWLEDGE IS POWER

If you don't know about this show, read an article, watch a trailer and find out more.

HOW ARE YOUR STUDENTS FINDING OUT ABOUT SQUID GAME?

- Netflix squid game
- Youtube (kids youtube does have it blocked)
- Instagram
- Tiktok
- Friends
- ROBLOX And yes even Roblox

WHAT ARE THEY DOING?

Some of games they play in Squid game that you might find on a playground:

- Marbles
- Red light green light
- Tug of war
- And a honeycomb game

If you see children playing these games and pretending to die, you know they have watched or heard about squid game.

THE POWER OF CIRCLE TIME

Use emotion cards and talk about how we feel when we watch scary things. Give students a space to talk about this and how to say no to things that scare them.

TIPS

How about a worry jar?

Give your students a safe place to write down their worries.

MANAGEMENT

TAKE ACTION!

If you are noticing aggressive behavior, inform the school psychologist.

Listen to advice given by the government and official sources and let parents know that this series is worrying and that they should also be informed.
